GAME PIECES: How to Get Them

- 1 WALL•E Game Pieces can be found in WALL•E Raisin 6-Pack or 24-Packs (See Image 3). Most grocery stores will carry these nutritious snacks in the dried fruit section, or in the produce section of the store.

If the grocery store you are at does not have them, ask an adult to speak to the store manager about carrying it in their stores.

- 2 If you have no luck finding a WALL•E Raisin 6-Pack or 24-Packs, you can cut out the flat game pieces below until you can locate them.

If you do have some WALL•E Raisin boxes, but are missing your favorite character game piece, cut out the additional game pieces below and tape or glue them to your WALL•E Raisin box.
